

CHNS and CHPS Report

NW Region

February 2011

Mary Glasscock

Mary educated participants at the Oakland Heights Family Health Night on the dangers of smoking and secondhand smoke, Act 13 and the Quitline. She provided education on Act 13 and the Quitline at "Good Mom's Night," a childbirth class at St. Mary's Regional Medical Center and at Atkins Car Seat Safety Event. Mary provided scoliosis training to school nurses at Russellville School District and vision and hearing training at Arch Ford Education Cooperative. She provided technical assistance on various information including immunizations, AFHK Essay Contest, AED Rules and Regs, Tobacco Free Kid's Day, SOS Coloring Contest, Big Pitch Drama Contest and the Fitness Challenge.

Miranda Curbow

Miranda provided a presentation on tobacco emerging products to Fort Smith school nurses. She provided scoliosis training to Fort Smith school nurses. Miranda attended the Sebastian County HHI YCOC Cancer Committee where she serves as Chair. She provided technical assistance on the Arkansas Cancer Coalition grant to the Franklin County Coalition. Miranda provided technical assistance on various information including personal hygiene, sexual health, CPR, BMI data submission, school health screenings, immunizations, and grants. She provided technical assistance to Paris staff and administrators regarding the wellness center. Miranda served on the HHI Sustainability Conference committee and made arrangements for the conference keynote speaker.

Sarah Brisco

Sarah visited Alpena and Marshall School Districts to assess their comprehensive tobacco policies and signage promoting tobacco free environments. She provided BMI school health screening training for a new Omaha school nurse. She provided a presentation on Eating Disorders to school counselors in the OUR Education Cooperative. She provided technical assistance on the School Health Index to the CSH Coordinator for Harrison School District. She provided technical assistance on grants to the education cooperative schools.

Christine Reifeiss

Christine provided a nutrition (genetic taste preferences and how to enjoy cruciferous vegetables) presentation and tobacco presentation to students at Morrilton. She facilitated the ARCOP Social Marketing Subcommittee and participated ARCOP's Executive Committee. She provided technical assistance on the CWIP grant and other grants to education cooperative schools. Christine promoted Wear Red Day and the Fitness Challenge at the education cooperative and schools and assisted AETN in arranging a speaker for "out to lunch day."
